

Dear Parish Family,

Little Flower School opened this past Wednesday with the traditional Mass of the Holy Spirit. At the parent meetings on Monday evening and Tuesday morning, Mr. Gawrys made the point that for the last two and one-half months the school has seemed empty without the students. His statement was a powerful reminder that Little Flower School is one of the principal ministries of Little Flower Parish. I want to thank all of you for your past and continuing support of Little Flower Parish and Little Flower School.

Also, thanks to all who came to our parish picnic last Sunday. Special thanks to Georgia Impiccicche, who coordinated the picnic, and all her helpers. The food was delicious as always. Pictures from the picnic can be found on our web site at:

<http://www.littleflowerparish.org/html/pictures.html>.

This past Thursday evening was an important meeting for the capital campaign. We have enlisted our first 50 parish volunteers, who have agreed to serve in leadership roles for the campaign. They will be soliciting other volunteers as we move through the process. Please pray for the success of the campaign. As you can see, the condition of the bricks continues to worsen.

Once again, I want to encourage everyone to have their picture taken for the pictorial directory. All who have their picture taken will receive a free 8x10 and a copy of the directory. There is no obligation to purchase anything. This directory can help us get to know one another. Also, enough extra copies will be printed at no charge to the parish to enable us to give a copy of the new directory to every family that registers for the next two or three years. If you have not signed up, see the information elsewhere in bulletin for the last chance to sign up before our committee begins making phone calls.

Have a great week.

fr. bob
