

Dear Parish Family,

Today we celebrate the feast of St. Therese, the Little Flower. When we celebrate her feast, we also celebrate our parish.

As we celebrate today, it is important to remember that a parish is not buildings, not even a church building, but the people who make up the parish. Since the foundation of the parish, Little Flower has been blessed with many wonderful and generous

parishioners. Little Flower would not be the parish it is today without those who have gone before us. God's first blessing on this parish has been the parishioners. Today we thank God and St. Therese for all those who have made Little Flower the wonderful parish it is.

At the same time, we are Little Flower parish today. The legacy of this parish has been entrusted to us. Today I want to thank all of you for who you are and what you do for the parish by your presence and your generosity of time, talent, and treasure to the parish.

The most important thing we do as a parish is pray. All of us are called to actively participate in Sunday Eucharist and daily prayer. This year I invite and encourage you to develop a habit of personal prayer to St. Therese, asking her to join her prayers to ours for God's continued blessings and favors upon this parish.

Our Little Flower novena began last Saturday. Last Saturday was also our second annual neighborhood wiener roast. This wiener roast gives us the opportunity to be good neighbors and to thank our neighbors for their support. Although the numbers were down from last year because of the rain, a good number of parishioners and neighbors stopped by. Special thanks to all those who organized and worked the wiener roast.

Have a great week.

fr. Bob
