

Dear Parish Family,

I hope everyone had a most blessed and happy Easter. Although Lent is over, the Church invites us to continue growing into the likeness of the Risen Christ.

As you may have noticed last Sunday, scaffolding has been erected, and work has begun on the brick replacement project.

Part of our agreement with the construction company is that they will be able to work uninterrupted except for Sunday Masses, weddings, and funerals. Consequently, we may have to live with the inconvenience of some noise during weekday Masses, Communion Services, and chapel visits.

When we began talking about the brick project, we were told that it would take an entire construction season to complete. Therefore, it is important that the workers have the opportunity to work whenever the weather permits.

Please be patient. For me, at least, it is exciting that the work has finally begun, and I am confident that we will be very pleased with the outcome.

Have a wonderful week.

fr. bob
