

Dear Parish Family,

**Fr. Bob is on a well-deserved vacation.**

**His letter will return to the bulletin in two weeks.**

We offer our sympathy and condolences to Joe Striby on the death of his sister, **Mary Striby**, who passed away on July 1 and whose funeral liturgy was celebrated here on July 6. Mary was a long time member of Little Flower and was active in the Legion of Mary and the Renew program in her younger days. She died the day before her 95th birthday. Please keep all of the Striby family in your thoughts and prayers during this difficult time. May God grant Mary eternal life!

On Saturday, July 24 at the 5 p.m. Mass, we will celebrate a community Mass of Anointing of the Sick. Once called "Last Rites," anointing is no longer reserved for the dying, but is seen as a sacrament of inner healing. The Rite of Anointing suggests the following guidelines for those who wish to be anointed: "Great care should be taken to see that those of the faithful whose health is seriously impaired by sickness or old age receive this sacrament...A sick person may be anointed before surgery whenever a serious illness is the reason for the surgery. Elderly people may be anointed if they have become notably weakened even though no serious illness is presents." (Rite 8, 10, & 11) Please contact Fr. Bob or Peggy Clegg if you have any questions.

The **Adventuresome Group** will meet on **Wednesday, July 14** in the Parish Center following the 11:00 a.m. Mass. This month, Gary Crabiel, from Senior Sentinels, will be our guest speaker. He will be speaking about keeping yourself safe at home and while out and about. Please mark your calendar and plan on attending. You may call the Parish Center to register.

Please remember in your thoughts and prayers our parishioners who are ill, homebound, or in a nursing home. If you get the chance, please send them a card or note! This week we especially want to remember **Anne Sullivan**. Her address may be found in our Parish Directory.

### Spiritual Adoption – Week 15

Hi, another very busy week. Mom is beginning to feel me kick. My legs are now longer than my arms and my body is now longer than my head. My skin is so thin you can see many of my blood vessels as my heart pumps along. The bones of my inner ear have begun to harden and the auditory center of my brain is developing. I now have fingernails and toenails. I have begun to sprout hair on my eyebrows and hair on my head. I am almost 4 inches long and weigh almost 3 ounces. I have entered the second trimester. Please continue your prayers for me.
