

Important reminders about Homework Watcher™:

1. To make email address changes, corrections, or additions, contact Homework Watcher™ at: **homeworkwatcher@gmail.com**.

DO NOT CONTACT THE SCHOOL

Tell Homework Watcher™ your name, a good contact phone number in case they have questions, your student's names, your school name and what you want them to do... PLEASE be specific.

If your email address is changing, tell them the old one and the new one.

Let them know you want them to delete the old one and add the new one ... or simply add the new one as an additional email contact.

DO NOT CONTACT THE SCHOOL

2. Do not reply to Homework Watcher™. Homework Watcher is, by design, one-way communication from the teacher to the parent.

3. ADD "noreply@homeworkwatcher.com" to your email address book AND work within your email software to add www.homeworkwatcher.com to your "safe senders" list. This will help prevent the messages from landing in your SPAM folder or from being blocked.

4. Homework Watcher™ is able to provide their software to us absolutely free of charge through corporate sponsorships. PLEASE look at these sponsor's ads and consider giving them "your business." In fact – maybe even tell them you found them on Homework Watcher™

Homework Watcher™ believes parent - teacher communication should be free and unlimited to all schools everywhere. If you know of any business owners that control their advertising budget, and would like to be seen by thousands of families all over Indianapolis and beyond, on a regular basis, please consider calling them, telling them about Homework Watcher™ and recommending that they call 317-362-0509 and advertise sponsor!
