

Parish/School Website

Audience & Distribution

- Website is accessed over 2,000 per month. 44% of these accesses are from mobile devices.

Timing

Information submitted will be reviewed and posted within 4 days.

Content Guidelines

- Event dates/times can be submitted for the online Parish, School or Athletic event calendars
- Updates of any ministry news can be added to MINISTRY section
- Additional requests for information to be posted in a particular section can be made at time of submission

Best Uses

- Photos can be added to school or parish photo galleries.
- Website is a resource for those “shopping” for a parish or school. Any postings with appeal for a potential new family are good for the website.
- Information about your ministry should be checked periodically and updates should be submitted
