BULLETIN DEADLINE

Articles for the bulletin must be submitted in writing to the Parish center or by email to lgibbons@littleflowerparish.org by noon on Monday.

Dear Parish Family,

Little Flower School opened on Monday, August 16. However, our pre-school students did not start until this past Monday, August 24. Several people have asked how many students we have this year. Our opening enrollment was 266.

One of the distinguishing qualities of Little Flower School is its emphasis on Fine Arts. This past week we celebrated the funeral of Ed Axsom. When Fr. Robert Borchertmeyer asked Teresa Eckrich to start a school band, Ed, a longtime music educator and band director, provided Teresa with invaluable assistance in starting the band. Please pray for him and his family.

In my homily last Sunday, I asked parents to think about who or what besides themselves are influencing their children. After the 5:00 p.m. Mass, I went out to dinner with one of my friends. She is the mother of two teenage children. She told me that one of the things she tries to do with her children is to encourage them to propose solutions when there are problems. As she put it, most people can name or identify problems. Fewer people are able to name and identify solutions. I thought this was a great parenting tip.

Thursday is the feast of St. Gregory the Great, Pope and Doctor of the Church. Among other things, Pope Gregory was noted for liturgical reform. Two weeks ago, we celebrated the feast of Pope St. Pius X, who was Pope from 1903 to 1914. He was noted for liturgical reform at the beginning of the 20th century.

One of his reforms was lowering the age of First Communion from approximately 14 to 7. I made my First Communion in first grade; today our students make First Communion in second grade. Because he believed very much in power of God's grace and because he believed that the Eucharist was grace giving, he wanted children to be able to receive the Eucharist during their formative years. If we really believe that the Eucharist is grace giving, Sunday Eucharist should be a priority for all families. Likewise, we probably all could be more reverent and more prayerful as we receive the Eucharist.

Pope St. Pius X also promoted singing in the Liturgy. However, congregational singing really was not implemented in most parishes in this country until the reform of the Liturgy during the Second Vatican Council. Initially many Catholics had a hard time with the introduction of singing into the Liturgy. When people would criticize those who did not sing, my response was to remind them that singing in church had not been part of our tradition. However, fifty-one years later many people still do not sing at Mass. I wonder if more people would be attracted to the Catholic Church if they came to Catholic churches and found enthusiastic singing.

In less than a month, Pope Francis will come to the United States for the World Meeting of Families in Philadelphia. While he is here, he will also meet with President Obama, address the U.S. Congress and the United Nations General Assembly, and canonize Fr. Junipero Serra. In anticipation of his coming, we pray for his safety and that he will awaken in the minds and hearts of the people of the United States the importance of faith in today's society.

Finally, on a personal note, on Tuesday, August 18, I became a great-uncle.

Have a wonderful week.

fr. bob

THE TWENTY-SECOND SUNDAY IN ORDINARY TIME

The adult choir, which sings every Sunday at Mass from September through May, will begin their new season on the Tuesday evening, September 8, at 7 p.m. We especially need to add young parents to this group. Don't try to use GPS as it will not take you to their home. Meat, paper products, and drinks will be provided. Everyone attending is asked to bring their favorite dish to share and a lawn chair if possible. If you have any questions please contact Peggy Clegg at 403-7444, or pclegg@littleflowerparish or Tom and Margie Greene at 353-9448.

CHRIST RENEWS HIS PARISH

Being a member of a parish involves being connected to God and to other parishioners. If you have recently joined the parish, or if you have been a parishioner for some time but want to deepen your spiritual life and get to know other parishioners, attending a Christ Renews His Parish renewal weekend can help you do both!

Christ Renews His Parish is an uplifting spiritual renewal process that calls together the members of the parish community to experience personal conversion and fellowship. Christ Renews is a time for individuals to gather with others to strengthen their relationship with God and to grow together as a parish family. It is an excellent opportunity to meet new people and make new friends in a spiritual environment.

God's Presence is made known to all participants through the personal gifts shared by members of the Christ Renews presenting team. Presentations are made by the "presenters" to the "receivers". Spiritual reflection is complemented by social activities. There is lots of listening, laughing, thinking, dialogue, team participation, prayer, eating, and fun! One of the best things about each weekend is the opportunity to escape from the real world for just a few days to share with others in a common faith about those things we all experience in our lives. It is a weekend full of acceptance and affirmation for all attendees. You participate at the level you are most comfortable ... as much as you like, when you like, and how you like.

The Men's and Women's weekends will begin Friday evening and conclude on Sunday afternoon. There is no cost to attend and all Little Flower Parish members are invited to participate. Post-weekend commitment is voluntary, though many "receivers" opt to serve on the subsequent "giving" team.

MEN'S WEEKEND: SEPTEMBER 20-22

WOMEN'S WEEKEND: OCTOBER 4-6

We are now finalizing registrations for these weekends.
