### Dear Parish Family,

Thank you to all those who worked so hard to make this year's All-Class Reunion last weekend special. Special thanks to Tom Costello who puts in countless hours every year to make this event happen. Also, thanks to our parish and school staff, our adult choir and student liturgical choir, Renee Conder, Class of 1965, Diane Wurz Gray, Class of 1965, Carol Collins Routh, Class of 1967, the family of Jerry Woods Ellis, and to all those who attended. Also, every year the management and staff of the Indianapolis Marriott East do an outstanding job with our social and dinner.

Feedback from alumni, especially the honorees and their families, suggests that the evening could not have gone better. The food was delicious. However, I think what the alumni enjoyed most of all was the opportunity to visit with former classmates and friends. The highlight of the evening, of course, was the presentation of awards.

Each year the \$1,000 Bob Kiley Scholarship is awarded to an outstanding 8<sup>th</sup> grader who is an altar server. This year all four applicants were equally deserving, so we awarded each student a \$500 scholarship. The winners were 8<sup>th</sup> graders Walter Egan, Emma Rose Gedig, Alice Hughey, and Annie Sidor. Congratulations to them and their parents.

Also, congratulations to four outstanding alumni who were added to our Wall of Honor. In their remarks, all four spoke of their appreciation for their Catholic school education. All four were also graduates of a Catholic high school, and one was a graduate of a Catholic university. At the end of the evening, one made the point that all four of them talked about giving back.

Geraldine (Jerry) Woods Ellis, Class of 1947, was honored for her faithfulness to her vocation as wife, mother, grandmother, and great-grandmother and for her generosity to Little Flower. Jerry, who lived in Pennsylvania since 1972, died on October 11, 2014. She is only the second alumnus or alumna to be honored posthumously. When we chose to honor her, we had hoped that at least someone from her family would be here to represent her. Four of her daughters made the trip to Indianapolis. Her children relayed that her life was shaped by her education and the values she learned early at Little Flower.

Michael J. Conaton, also from the Class of 1947, is the retired President and Vice Chairman of the Midland Company, Cincinnati. A graduate of Xavier University in Cincinnati, Mike has served Xavier University as a Board member, Chairman of the Board, Interim President, and Williams College of Business, Executive in Residence. Although retired, he generously continues to serve on several boards. He credits his Little Flower education, together with family support, as the foundation for all his future accomplishments. In his remarks, he mentioned that a key lesson he learned early was to be a person for others but who does not give in to himself.

Dr. Mary Jeanne (O'Gara) Burger, PhD., M.D., the daughter of parishioners Tom and Jeanne O'Gara, graduated from Little Flower in 1979 and Scecina Memorial High School in 1983. After graduation from DePauw University, she earned a PhD in pharmacology at Indiana University, did a post-doctoral fellowship at the Walther Oncology Center in 1995, and worked as a contract scientist at Eli Lilly and Company. Her lifelong interest in science and medicine then led her to the IU School of Medicine. For most of the last decade, she has worked as a primary care physician. According to Mary Jeanne, Little Flower instilled an appreciation for Catholic education that began at home with her parents.

John Duffy graduated from Little Flower School in 1982, Scecina Memorial High School in 1986, and the University of Indianapolis in 1991. Today John serves as a Senior Vice President-Investments for Morgan Stanley Wealth Management. John was a cabinet member for the Archdiocese's "Legacy for Our Mission" campaign and served as a member of the Board of Directors for Scecina Memorial High School. He currently serves on the Bishop Simon Bruté College Seminary Advisory Board. In 2013, John and his wife Melissa established a donor-advised fund with the Catholic Community Foundation to enable them to make charitable contributions to Catholic ministries. According to John, his years at Little Flower were filled with challenges, accomplishments, moments of success, and plenty of humbling moments. These experiences, coupled with what he learned from his family, prepared him to compete and motivated him to try to succeed in the real world, and for that he will be forever grateful.

Have a wonderful week.

fr. bob
