BULLETIN DEADLINE

Articles for the bulletin must be submitted in writing to the Parish center or by email to lgibbons@littleflowerparish.org by noon on Monday.

**Dear Parish Family,**

Today is World Marriage Day. Today we congratulate and pray for all engaged and married couples. Therefore, each of our Liturgies will include a special blessing for engaged and married couples.

This Monday, February 11, is the feast of Our Lady of Lourdes. In 1992, St.

Pope John Paul II designated February 11 as the World Day of Prayer for the Sick.

This past week, new windows were installed on much of the main level of the parish center. This was funded with a generous donation from Tom and Joan Burke. Before his death, Tom asked that his donation be used for the church sound system with the balance to be used for replacement windows in the St. Patrick room. Subsequently, we received a grant that assisted us in funding the sound system. Therefore, Tom and Joan's donation covered replacement windows not only in the St. Patrick room, but in several other rooms as well. We are deeply grateful for the donation. The windows were in desperate need of replacement. We are deeply grateful to Tom and Joan for their generous donation.

Congratulations to sophomore Jackie Hughey who earned high honors for the first semester at Providence Cristo Rey High School.

Finally, although the Church celebrates the feast of Sts. Cyril and Methodius on February 14, February 14 is also Valentine's Day. The early Christian church had at least two saints named Valentine. According to one story, the Roman Emperor Claudius II in the A.D. 200's forbade young men to marry. The emperor thought single men made better soldiers. A priest named Valentine disobeyed the emperor's order and secretly married young couples. Another story says Valentine was an early Christian who made friends with many children. The Romans imprisoned him because he refused to worship their gods. The children missed him and tossed loving notes between the bars of his cell windows.

Have a wonderful week!

fr. bob

St. Vincent De Paul
“Changing Lives Forever” Program
WE NEED YOU

The Society of St Vincent de Paul offers a free program to individuals who want to work toward having a better quality of life. Most people don't choose to live in poverty but don't have the tools or education to plan for a new tomorrow. Attendees of

the Changing Lives Forever Program will be developing a plan with specific goals for a better future during the 18- week course. They work in groups of 14 and attend a three-hour session once a week.

This year 10 parishes in Indianapolis will be hosting a Changing Lives Forever program which means 140 people will be developing specific plans to change their lives! Upon graduation, they are offered the opportunity to have a trained Mentor to help them with their plan. A Mentor can make a difference when change gets really hard—the difference between giving up or moving forward with hope and faith. We need volunteers who would like to be a trained Mentor to someone who has graduated. Training involves (2) two-hour classes. Your commitment to the graduate is six hours per month (you set the times) for one year. For further information about being a Mentor in the Changing Lives Forever Program, call either Joe Doll, 317-919-1419 (profjdoll@aol.com) or Domoni Rouse, Director of Changing Lives, 317-924-5769 Ext 219 (clf.domoni@gmail.com).

Relationship Check-In ✓

*World Marriage Day
February 10*

There have been times in our marriage when we felt ourselves drifting apart. Not because of any one catastrophic event, but just because we weren't working on our relationship. We were just getting by. But in a culture antithetical to marriage, just getting by is not enough. All Catholic couples need to work to cultivate a dynamic, vibrant relationship, strong enough to bear the demands of family life, and weather everything the world will throw at it.

The reality is, we are never done working on our marriage. St. John Paul teaches us, "Love is never something ready made, something merely given to man and woman, it is...a task which they are set. Love should be seen as something which never 'is' but is always only 'becoming'..." This is true whether you have been married for 5 years or 50 years. We can never get to the point with our spouse when we say, "OK, now we finally have learned to love perfectly!" We never get there!

Take some time on to celebrate World Marriage Day by doing a "Relationship Check" with your spouse. Get away from the kids, from work, from the house and ask, "How are we doing?". Imagine your relationship as a separate entity (a tree is a good image). Step back from it and assess its health together. This isn't a time to point out faults or establish blame, instead it's a time to work together towards a noble goal.

You are the primary witness to the sanctity of the sacrament of matrimony. Your marriage is of vital importance not just to your family, but also to the whole Church! Don't allow yourselves to drift apart, but be intentional about having an exceptional marriage. Get more advice, ideas, and encouragement at our website: www.messyfamilyproject.org. We can change the world, one family at a time.

Here are some discussion topics and prompts to help you as a couple more clearly see the state of your relationship and identify areas you need to work on. They are just to get you started! As you prayerfully assess your unique friendship, feel free to add your own topics.

Before you begin your discussion, start by honoring each other, then go on to other questions.

I love you because____
I feel loved when you....
Thank you for____

- ☐ **Do we make each other a top priority?**
 - Do you feel I make enough time for you?
 - When do we have uninterrupted time to talk?
 - Are there activities we should make more room for?
- ☐ **Do we experience generous physical love?**
 - How do you feel most loved by me?
 - What are your expectations?
 - What would an ideal romantic evening be for you?
- ☐ **Do we provide each other emotional support?**
 - Do you feel safe with me?
 - Can talk you with me about anything?
 - Do I help you with challenges in your life?
 - How can I support you?
- ☐ **Do we feel respected and valued when we discuss issues such as finances?**
 - When we talk, do you feel listened to?
 - Do you think I understand your values?
 - How can we work together on this?
- ☐ **Have we created a "vessel of grace" in our marriage?**
 - In what areas of our life can we be more in union with the Church?
 - How can we pray better together?
 - How can I support you in your relationship with Our Father, Jesus, and the Holy Spirit?

St. John Paul on marriage....

"In this entire world there is not a more perfect, more complete image of God, Unity and Community. There is no other human reality which corresponds more...to that divine mystery"
