January 25, 2026

Dear Parishioners,

I have noticed a lot of things during my first few months at Little Flower. One thing that stands out is the ongoing support Little Flower continues to receive in the areas of time, talent, and treasure. Because of your generosity, our parish continues to live and proclaim the Gospel on the Eastside of Indianapolis and to be the anchor of this neighborhood.

As you know, we are wrapping up our 100th year celebrations for the parish, and we will continue in 2026 to celebrate our school's 100th anniversary. It has been, and continues to be, an exciting time to be a part of Little Flower.

Each year our Stewardship Drive invites us to reflect on how we share our time, talent, and treasure in support of our parish community. We are deeply grateful for the many ways you already give of yourselves to sustain the life and mission of our parish.

As we look ahead to the coming months, we plan to make a lot of necessary repairs and updates to our facilities, including repairing and beautifying the front of the school building, repairing a major leak in the school's foundation, replacement of the church doors, and several others. At the same time, we need to maintain our day-to-day operations with rising costs.

Because of this, stewardship of treasure will be especially important in the year ahead. Your financial support directly allows us to continue our ministries, maintain our facilities, support our staff, and serve our parishioners and wider community without needing to make significant reductions or changes to the programs you value. We recognize that every household's situation is different, and any level of support is appreciated. Even a modest increase can have a meaningful impact when offered faithfully and shared across our parish family.

I urge you to prayerfully consider your commitments of time, talent, and treasure, and take the time to complete the information, whether you use the paper copy of the commitment card (enclosed) or the user-friendly online version. Also enclosed are documents to aid your decisions regarding stewardships and time and talent, as well as a form to authorize electronic contributions if you choose.

You will find the online version of the annual stewardship commitment card on the home page of [www.littleflowerparish.org](http://www.littleflowerparish.org). There will be a link to the document which will walk you through the information in a step-by-step fashion with links to supporting documents available if you need them.

Intention Sunday will be the weekend of February 21 and 22. On this weekend we hope to see many commitment cards completed. If you choose to complete the paper version, you may drop it in the regular collection or send it by mail.

Thank you for your continued generosity, faithfulness, and commitment to our parish. Together, with God's guidance, we can continue to move forward and ensure that our parish remains strong, welcoming, and vibrant for years to come.

Sincerely yours in Christ,

Fr. Jude Meril Sahayam  
Administrator
