

My name is Bill Conway and I would like to serve you and your family as a member of the Little Flower Parish Council.

I am originally from the town of Griffith, Indiana. I was a member of St. Mary's Parish and School, Griffith High School, and received my Bachelor's degree from St. Joseph's Calumet College in East Chicago, IN.

After graduating college, I moved to Indianapolis and began an almost 40 year career in the insurance industry. I began my career as a claims adjuster and ended it as a corporate trainer. The training program that I designed is still in use today.

I met my wife, Mary Margaret while living in Indianapolis. Mary is a lifelong Little Flower Parishioner. She went to Little Flower School, Scecina High School and received her Nursing degree from Marian College. She is currently Vice President of the Little Flower Ladies Club.

Over the years as a Little Flower parishioner, I was a member of the Men's Club and Saturday Morning Men's Prayer Group. I held several elective offices in the Our Lady of Fatima Council of the Knights of Columbus including Grand Knight. I currently volunteer at Community Hospital Vascular & Heart Hospital.

We are blessed to have 3 wonderful adult children and 5 active grandchildren. Mary and I always busy attending all their activities.

I look forward to your support, and I promise I will do my best to serve Little Flower Parish and maintain the high level of spirituality, community and service Little Flower is known for. Together we will make the next 100 years as vibrant and welcoming as the first

Pattiann Gavaghan is a lifetime member of Little Flower. Her mother was as well. She graduated from LF School in 1970 and Scecina Memorial in 1974. She has been married to Steve Johnson for 35 years.

Pattiann worked at Anthem BCBS (and its predecessors) for 32 years. She worked for the CEO for 20 years and ultimately became Vice President, Corporate Office Administration. She retired as the company's Ombudsman in 2010.

Pattiann participates in several ministries of the Parish. She is the President of the Ladies Club and Secretary of our St. Vincent de Paul Conference. She is also a Eucharistic Minister, Church Cleaning, Funeral Luncheon, Children's Liturgy, Adoration and Art/Environment. She also attends the Thursday afternoon Bible Study.

Rick Fischer, 63 years old.
Electrical Engineer at Duke Energy,
Living in New Palestine, IN.

I am blessed to have the life I have!

I am a widowed father of 2 daughters and 2 grandsons, with one more on the way!

Continuing to do the best I can to raise them!

I started my life, catholic with my parents and sister in Cincinnati, at the St. Savior parish.

My parents are still the best people I know and gave me everything to succeed in life. Such as my dad's positive message of "Show up, good attitude & aptitude to excel"!

I met Michelle on a blind date and never left her side. Married Methodist, but Michelle went through RCIA and later, last year had our marriage vows renewed by Father Bob in the reaffirmation ceremony!

The best days ever were the births of my girls!

I was introduced to Little Flower by the day care that my girls went to (Bill & Debbie Belles).

Both girls attend Little Flower, and I am fortunate and happy to be a part of this community.

My faith was strengthened with the CHRP program and now have the best friends in the world because of it!

I've have been or continue to serve in many ministries, including:

Summerfest committee

Hospitality Minister

Past Men's Club President (now social activities steward)

Fish fry cook

Mother's Day Breakfast Chair

Bible study table leader

Campus grounds contributor

And probably more

Hello! My name is Jane Gilmore, and I am a transplant to the east side, having graduated from

St. Michael the Archangel Elementary and Cardinal Ritter High School on the city's west side. I then graduated from Purdue University and worked as a medical illustrator at St. Vincent Hospital/Ascension for 40+ years. I have lived in the parish since December, 1989.

It brings me great joy to be an involved member of the Little Flower community and to help out wherever I can. Little Flower has become like a second home, and the people are like family. I currently serve on the liturgy and parish life commissions, one of the church cleaning crews, help at the used book and alcohol wristband booths at the festival, and I am a sacristan and Eucharistic minister.

Perhaps because I am around a lot, church members often come to me to talk about concerns and ideas they are reluctant to discuss directly with leadership (or maybe they don't know whom to ask). So, I am committed to improving the lines of communication in both directions, especially now as we face the many changes our parish will inevitably experience.

My name is Kathryn Leszcynski, and I grew up in a small community in Southern Indiana. After graduating from high school, I moved to Indianapolis to attend college at IUPUI. While in graduate school, I met my husband, Bo, who introduced me to the Little Flower community. Through his connection to the parish, I quickly came to appreciate the welcoming spirit and strong sense of faith that makes Little Flower such a special place.

Bo and I were married, settled into our quaint home in Irvington, and have since been blessed to welcome two children into our family. As our family has grown, so has my appreciation for the parish and the important role it plays in fostering faith, service, and community. I am grateful for the opportunity to be part of Little Flower and would be honored to serve the parish as a member of the Parish Council.

As a committed member of our parish community, I am interested in serving on the Parish Council to support the mission and growth of our church. My faith has guided me to value service, collaboration, and stewardship, and I would welcome the opportunity to contribute these qualities on the Parish council. I am eager to serve our parish alongside fellow LF parishioners and staff to strengthen our community, promote spiritual growth, and help address the needs of our parish.
